Memorial Forests Program	Memorial Forests provide a lasting tribute to loved ones, and improves the environment. The Lower Thames Valley Conservation Foundation and Lower Thames Valley Conservation Authority are involved in several memorial forests across the watershed with partnering Funeral Homes and private individuals. The family of the deceased receives a certificate notifying them that a tree will be dedicated in memory of their loved one. A dedication service is held annually at the C.M. Wilson CA for the McKinlay Woodlands Memorial Forest in Chatham-Kent, Bothwell Forest (Skunk's Misery) near Bothwell for the Badder & Robinson Memorial Forest and at the Tilbury Northside Park in Tilbury. Donors receive a tax receipt.	C.M. Wilson CA Bothwell Forest Big Bend CA Tilbury Northside Park Comber Historic Museum Rowsom's Tilbury West CA		dedicated tree - \$30	Bonnie Carey (519) 264-2420
