Workshops For All Ages!

Longwoods Road Conservation Area offers Conservation and Ska-Nah-Doht Village workshops to groups year round. Programs are 1 to 2 hours in length. Combine 2 or more for a full day of educational fun! There are also opportunities for groups to engage in community volunteer projects in a park setting at Longwoods. Special populations, church groups and seniors are encouraged to participate in workshops designed especially for them.

(For your school group please refer to our fliers for programs designed especially for schools.)

Workshop Fees

Workshops must be booked 3 weeks in advance. Please note some activities are restricted to certain months. For workshop fees call or visit our website.

Family Reunions Outdoor Weddings Company Picnics

A large outdoor pavilion is suited for your group's special function. Equipped with wood barbecue, hydro, water and picnic tables, this open air shelter accommodates up to 150 people year round. Bring games for the large playing field. A fully serviced washroom is nearby (*May - October*).

Camping With Nature

For conservation-oriented groups, 3 camping areas are each able to accommodate up to 100 campers. All camping areas have picnic tables and fire pits. Hydro, firewood and water are available. Serviced washrooms (*no showers*) are located nearby (*operational May - October*). Group camping may be combined with workshops to provide a complete weekend outing. Group camping is available year round.

Badge Workshops for Guides and Scouts

Badge requirements may be filled in part through our programs.

Sparks and Beavers: Workshops with Native themes and conservation hikes are available.
