

**Lower Thames Valley Conservation Authority  
McGregor & Jeannettes Creek Phosphorus  
Reduction Program (MJCPRP)**

**2021 Claim Form**

**Farm Business Information and Mailing Address**

*Note: The contribution cheque will be mailed and written to the Farm Business or Sole Proprietor name provided in the Claim Form.*

**Business Legal Name:** \_\_\_\_\_

Or

**Sole Proprietor Name:** \_\_\_\_\_  
*Last First M.I.*

**Mailing Address:** \_\_\_\_\_  
*Street Address*

\_\_\_\_\_ *City Province Postal Code*

**Do you have an Environmental Farm Plan? If so, what version:**

Yes  No      Version/Edition # \_\_\_\_\_

**Claim Form Instructions:**

1. Complete the "Total Invoiced Project Costs Section" (Page 2). Ensure all invoices and proof of purchase documents are attached.
2. If you are claiming a contribution for **Cover Crop Plantings**, also complete the "Cover Crop \$/acre Incentive Claim Calculation Table" (Page 3).
3. If you are claiming a contribution for an **Alternative Phosphorus Application Practice**, also complete the "Alternative Phosphorus Application Practices \$/acre Incentive Claim Calculation Table" (Page 4).

**Cover Crop \$/acre Incentive Claim Calculation Table**

- Only complete this section if claiming a \$/acre contribution for a cover crop planting. Check the applicable practice(s):
- **NOTE: Cover crop plantings that are terminated through fall tillage, are not eligible for the program cover crop incentive.**

<b>BMP Project Type</b>	<b>Check the Applicable BMP Subcategory</b>
Cover Crops	<input type="checkbox"/> 1A: Frost-Terminated Species (\$10.00/acre contribution) <input type="checkbox"/> 1B: Over Wintering Species (\$12.50/acre contribution)

<b>Application Field ID or Name (Refer to initial application)</b>	<b>BMP (1A or 1B)</b>	<b>Final Acres Planted</b>	<b>Cover Crop Species Planted</b>	<b>Date Planted</b>	<b>Cover Crop Termination Method</b>	<b>\$/acre Incentive (ex. \$10.00/acre or \$12.50)</b>	<b>Field Incentive Contribution</b>
sample: Home Farm	1B	50	Cereal Rye	20-10-2021	Spring Herbicide	\$12.50	\$ 625.00

<b>Total Alternative P Application Practice Claim Contribution:</b>							\$

## Declaration and Signature

- *Invoice and proof of purchase documents are attached if applicable.*
- *You acknowledge that the LTVCA will reimburse the claim once staff have confirmed the project is complete and have received the required claim information. For cover crop plantings, this will not occur until January or February of 2022.*
- *You agree to complete a field land activity survey with the LTVCA project staff over the duration of the project, to capture your general rotational crop production system (crop rotation, tillage, fertility, average yield estimates), for use in configuring the McGregor and Jeannettes Creek Soil and Water Assessment Tool (SWAT) Model. **With the understanding that the data will only be shared in an aggregate form publicly and that no business or personal identifier will be shared with other organizations or agencies.***
  - *Example of an aggregate statement: “Within McGregor Creek 84% of producers have adopted conservation tillage practices”.*
- *The signature of the authorized signing authority confirms that the claim is true and was completed in accordance with the terms of the LTVCA McGregor and Jeannettes Creek Phosphorus Reduction Program.*

Signature: \_\_\_\_\_

Date: \_\_\_\_\_

If you are unable to provide a digital signature, by checking this box you consent that the claim is true and was completed in accordance with the terms of the LTVCA McGregor Jeanettes Creek Phosphorus Reduction Program.

Please submit all completed and signed forms to Agricultural Program Coordinator Colin Little (colin.little@ltvca.ca)
